Are you looking for some uninterrupted time to work on those special projects you wanted to have completed, start when there is no yard work to be done, or just actually be prepared for next Christmas? This is the perfect way to enjoy time with friends, work on your project (whatever it may be), not worry about the housework to be completed and support a great cause all in one fell swoop! Bring your quilting, knitting, scrapbooking, card making, sewing, painting (or any other craft you do) as well as your friends and join us for a day away from housework and errand running!!!!

Funds raised will go toward one or two of our many ministries that the church provides and supports both here and abroad. Cost includes some **breakfast items** for the morning, **lunch** at noon, **dinner** between 5:00 pm-6:00 pm and **beverages** throughout the day. We ask that attendees bring any type of favorite **snack** item to share, and, if you are a soda drinker, please bring your own. We hope to have a both a **yard sale table** as well as items for a **SWAP table** for anyone who would like to rid themselves of any craft items that they no longer want, need or plan to use. Wi-Fi and electricity with some extension cords will also be available for our attendees. We will have vendors joining us. Bev Snyder with **Stampin' Up** will have a make and take to share and Kelli Rodier from **Tastefully Simple** will be joining us with some items to sample. There will be door prizes, items to be raffled off and goody bags for each attendee.

***We are open to any suggestions. Donations of time, talent, or items to help with the event would be greatly appreciated!***
